‘Training/Competencies/Career Progression Subgroup’

Boardroom
10:30-12:00

We would like to assemble a subgroup of the LTG to progress with the harmonisation of training, competencies and career development across the disciplines of toxicology. The outlook would be to build on the best practice guidelines recently described and published by UKIAFT. We would like volunteers from across the profession (commercial sector, academia and the NHS) to join in this discussion and help set the scope of this subgroup and move it forward to the next stage.
